

CV: David Leon Greisen Miedzianogora

Education

2025-2028 PhD Archaeology, University College London.

- Thesis: 'The functional brain networks of stone tool technologies: an experimental cognitive archaeology approach to understanding the evolution of hominin cognition'.
- Principal supervisor: Dr Matthew Pope.
- Secondary supervisors: Dr Ceri Shipton, Prof Antonia Hamilton.

2023-2024 MSc Palaeoanthropology and Palaeolithic Archaeology, University College London.

- Dissertation: 'The origins of the Middle Stone Age: A view from the Kabwe (formerly Broken Hill) lithic assemblage'. Supervised by Dr Ceri Shipton & Dr Matthew Pope.
- Focus on prehistoric lithic technology, digital methods (3D modelling, photogrammetry, GIS), and multivariate statistics.
- Classification: Distinction.

2020-2023 BA History, University of Copenhagen.

- Undergraduate thesis: 'The Second Plague Pandemic in Sub-Saharan Africa'. Supervised by Dr Avner Shamir.
- Electives in prehistoric and Near Eastern archaeology.
- Experience with GIS for digitising physical excavation reports and conducting spatial analyses, database software, and archival work (including handwritten archives).
- Final GPA: 12/12.

Fieldwork experience

2025 Field archaeologist, Archaeology Plan, Ireland

- Full-time contract from 14 April 2025.
- Excavation of the urban site Shankill, areas 41 (Neolithic) and 43 (Bronze Age, Iron Age).
- Experience encompassing all aspects of fieldwork, from cleaning, excavation, and recording.

2024-2025 Site assistant, Archaeological Management Solutions, Ireland.

- Full-time contract from 11 November 2024 to 11 April 2025.
- Excavation of rural sites Croagh 4 (Iron Age), Croagh 8 (Iron Age), and Clough West 4 (Iron Age/industrial).
